

Dear Beida Probability and Statistics Dept and Prof Chen's Family,

I am so sorry to learn the loss of our dear Prof Chen. No words can fully describe how much we appreciate, respect and love him.

His kindness, morality, and intelligence have helped us to grow; his contribution to the society has made the world a better place. Thus, as Albert Einstein said, he is eternal and lives on in us.

We miss him dearly and wish his loving memories and legacy comfort you/us all.
